ELECTRONICS*

Tucci Electronic Recycling (TER) works with its clients to optimize the value of their electronics assets, providing 'cradle to grave' solutions for each stage of the lifecycle. Our e-waste will be delivered to [CompuPoint USA, LLC](#) for processing.

METALS*

We accept metals such as steel, aluminum, cans, copper, brass, stainless steel, and appliances such as washers/dryers/stoves/refrigerators. TER delivers metals collected at our recycling events to [Remetals, Inc.](#)

GLASS

TER collects clean, food-grade glass containers, jars, and bottles brought to our Community Recycling events and takes them to [Strategic Materials](#).

LATEX PAINT*

Atlanta Paint Disposal is Atlanta's premier paint recycling company. APD re-blends collected paint into a new, reusable form, and donates paint to Keep Atlanta Beautiful, Inc. (KATIB) for graffiti paint overs by numerous city departments.

PAPER SHREDDING*

Global Document Shredding is a member of the National Association for Information Destruction. All documents are shredded and will be 100% recycled.

STYROFOAM

DART Container Corporation promotes sustainability by reprocessing collected foam (excludes packing peanuts) from the public through KATIB and other community partners.

TEXTILES

USAgain is a green enterprise that works to reduce the textile waste going into landfills by making clothes and shoes recycling convenient.

BOOKS

Postbox partners with groups and organizations to aid and assist in the collection and recycling of new, like new, used, and damaged books. From novels & non-fiction to textbooks and guides, they are able to collect them all.
