Welcome Our New Electronics Recycler

Since 2005, the eClaim Recovery team has assisted small to large size corporate businesses and government agencies with their large volume recycling needs. eClaim holds certifications and permits with agencies such as the Environmental Protection Agency, the Georgia Department of Natural Resources, and the US Department of Transportation Pipeline & Hazardous Materials Safety Administration, to allow us to transport, accumulate, and disassemble non-hazardous electronic waste. Visit the [KATIB website](#) for information regarding accepted recyclables and pricing.

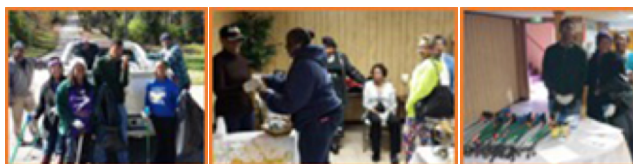

Latex Paint Recycling

Atlanta Paint Disposal (APD) opened in the Spring of 2010 to help citizens and businesses in the Atlanta area properly dispose of their unwanted paint. The partnership between APD and Keep Atlanta Beautiful, Inc (KATIB) has contributed to the beautification of the City of Atlanta. Through its partnership with KATIB., Atlanta Paint Disposal works with the [Atlanta Graffiti Task-force](#) by donating paint to paint-over graffiti throughout the City. To date, **APD has donated over 1,000 gallons of paint** to KATIB for this and various other community improvement projects. You can find more information online at [Keep Atlanta Beautiful, Inc.](#) or [Atlanta Paint Disposal](#).
