Introducing the New Keep Atlanta Beautiful, Inc.

We are pleased to announce the launch of our new website and our new look!

And it's mobile-friendly, so you can access the site from your wireless devices. Please take a few minutes to [check it out](#), and let us know what you think!

One MILLION POUNDS... and Counting!

When we began our e-scrap recycling in 2008, we were hoping for a good response from our communities, and it was overwhelming! Today, we have two recycling locations and accept many more items for recycling or reuse.

In the first quarter of 2016, we proudly announced that with your help, we have kept **more than one million pounds of electronics** out of landfills... That's 500 tons!

Many thanks to the Atlanta-Metro communities for being part of this important milestone as we work together to make Atlanta one of the most beautiful cities.
